What They're Saying

B.

"The management, especially Liz, is fantastic — responsive, friendly, and genuinely cares about residents. They've improved security, added a parking gate, and maintain the property exceptionally well. I also love that residents can switch units after six months, allowing flexibility to find the best view or layout.

The shared spaces are clean and useful: a nice lounge, a free coffee bar, a solid conference room, and safe

parking. It feels like a community of respectful neighbors who value peace and quality living. The rent may be slightly higher than nearby options, but the convenience, management, and environment make it worth every penny."

Live Well

Embrace the "Hygge" of the PNW

In Bellevue, "Live Well" often means finding warmth and comfort during the cooler months. This January, we're inviting you to embrace Hygge (pronounced "hoo-gah")—the Danish art of coziness, comfort, and well-being. It's about cherishing simple pleasures and creating a serene atmosphere at home.

Your January Hygge Challenge:

Create Your Sanctuary: Dim the lights, light a candle (safely!), and wrap yourself in a soft blanket with a good book or a calming playlist.

Warm Drinks & Good Company: Savor a hot cup of tea or coffee. Share a quiet moment with a loved one or enjoy the peaceful solitude.

Indoor Nature: Bring a bit of the PNW indoors with a new winter houseplant. Greenery naturally boosts mood and air quality.

Let's transform our homes into havens of peace and warmth as we welcome the new year.
